Pupils

- Attend school every day, on time

Recording attendance

Attendance register

We will keep an electronic attendance register; SIMS and place all pupils onto this register. We will take our attendance register at the start of each school day and once at the start of the afternoon session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

See **Appendix 1** for the DfE attendance codes.

We will also record:

- [For pupils of compulsory school age] Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.40am and ends at 3.15pm. Pupils must arrive in school by 8.40am on each school day.

The register for the first session will be taken at 8.45am. After this time any pupil arriving at school will be marked as late; L code, any child arriving after 9.15am will be marked as unauthorised; U code. The register for the afternoon session will be taken at 1pm.

Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.45am, or as soon as practically possible, by calling or emailing the school office, who can be contacted via telephone; 01227 751431 or email; office@bad.kent.sch.uk

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription,

appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. This can be done by either emailing the school office or completing an absence request form, obtained from the school office.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence.

Lateness and punctuality

A pupil who arrives late:

- After the register has closed will be marked as late, using the appropriate code
- After 9.15am marked as unauthorised, using the appropriate code

Ongoing punctuality issues are addressed firstly with a letter home to parents, if punctuality continues to cause concern, we may invite parents into the school to explore how issues can be resolved. This may include using support for external agencies. If punctuality issues are not resolved, this may lead to a Penalty Notice(s) being issued.

Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may conduct a home visit.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving the Kent PRU and Attendance Service; KPAS Attendance Officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with, the school may request a statutory attendance intervention, which may lead to attendance prosecution.

Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy previously) about their child's attendance and absence levels twice yearly in written reports, alongside this parents will receive an attendance report at the end of each seasonal term.

Authorised and unauthorised absence

Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a leave of absence to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define '**exceptional circumstances**' are:

- Rare
- Significant
- Unavoidable
- Short

An absence might be considered unavoidable if the event could not reasonably be scheduled at another time. Once a child has been absent without permission, the absence cannot be authorised retrospectively.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The headteacher may require evidence to support any request for leave of absence.

Other valid reasons for authorised absence include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and

has agreed this with the school, but it is not known whether the pupil is attending educational provision

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), KPAS or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with KPAS before doing so and send a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence; including late after the registers close, in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days. If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days. A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first

penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

Strategies for promoting attendance

Whole school attendance is promoted at the end of every week during celebration assembly. The attendance notice board is updated weekly, with the classes who have the best punctuality and attendance. Alongside this, parents are notified in the weekly school newsletter of the current whole school attendance percentage, as well as which class has had the best attendance and punctuality.

Supporting pupils who are absent or returning to school/ Pupils returning to school after a lengthy or unavoidable period of absence

Pupils absent due to complex barriers to attendance

We have procedures in place to help children settle in after a long absence. It is important that on return from an unavoidable absence all pupils are made to feel welcome. This will include ensuring that the pupil is supported to catch up on missed work and brought up to date with any information that has been passed to the other pupils.

Pupils absent due to mental or physical ill health or SEND

The school will make arrangements to meet the requirements of pupils with additional educational needs or an Education Health Care Plan. Arrangements are specific to the individual child and will support them in returning to school, so that they settle into school. Some arrangements may include; later starts or earlier finishes. We will work alongside external agencies and the Local Authority to remove in-school barriers to attendance.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

Attendance monitoring

The school will monitor attendance and absence data (including punctuality) termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

Using data to improve attendance

The attendance officer has termly attendance meetings with Senior Leaders to discuss individual pupils and their attendance. Attendance statistics are discussed, and relevant attendance reports are shared with key staff to aid discussions with families. Best practice ideas are discussed, and data is used to understand the impact of interventions. Termly patterns of attendance are recorded and shared with senior leaders including

- Whole school and individual pupil basis
- Groups e.g. FSM, SEN, PP, CiC, GRT, EAL
- How we compare with national data.

Daily statistics are shared with the DfE via Wonde

Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education 2025
- Hold attendance improvement meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:

- Discuss attendance and engagement at school
- Listen, and understand barriers to attendance
- Explain the help that is available
- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary
- Closely monitor those pupils with persistent or serve absence. Make parents aware of the absence and expectations of the school, Local Authority and Government when it comes to attendance. Invite parents to meetings to identify barriers for not attending school, look for ways of support the parents and pupil to attend school.

Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum one year by Laura Jakob; Family Liaison Officer. At every review, the policy will be approved by the full governing board.
