A note from Mr Way...

We have made it to the end of what has seemed like a very long term. Ultimately, it has been a successful one but it is noticeable that many of the children are ready for a break. However, the teachers are still going strong with three evenings worth of parent consultations but I am sure we are all looking forward to a break. As a parent myself I am particularly looking forward to not having to make packed lunches in the morning and get my own children out the door and on the way to school on time! I'm sure many of you recognise this feeling!!

Thank you to all those of you that supported our PTFA BuB Quiz last week. It was a good evening and the competition was close although for many it was perhaps the taking part that was the most important part. We raised over £450 and a good time was had by all.

Have a great half term and I look forward to seeing you all once more on Tuesday the 5th November.

Collective Worship...

Mr Way's worship on Monday focused on how we can all respect our local community. The children suggested that we should all put our litter in the bins, that we should look after our environment and clean up after ourselves. Rev Rosemary visited on Wednesday and she focused on the respect aspect of the 10 commandments. Once again the children excelled in answering questions and putting across their ideas. The final assembly of the term today was a celebration assembly.

Dear God, Help us to be more respectful to other people. Thank you for giving us a nice environment to live in. Help us to be more thankful and stop wars. Amen. By (Ellis Yr 6)

Doing all the good that we can...

We will be celebrating Children in Need on Friday 15th November. Children are invited to wear non uniform for a donation. This can be paid on schoolcoms or cash on the day.
